**CONDITIONAL BILL OF SALE FOR A DOG**

This is a conditional bill of sale contract for the purchase of one purebred Labrador Retriever puppy from a litter registered with the American Kennel Club born on [date]. The dam is [bitch name, titles, AKC #] and the sire is [dog name, titles, AKC#] UKC CH Chilbrook Dragon King RI, RN, JH, CGCA, TKN, AKC Achiever Dog Certificate 2018 (SR95088805).

The Buyer agrees to buy, and the seller agrees to sell one puppy as described below for the price of \$1500 plus 6% Virginia sales tax (\$90) to be paid in full upon delivery of the puppy to the buyers. A deposit of \$400 is required to reserve the puppy until its pickup date of no later than [date]. The puppy can be picked up as early as [date].

It is highly recommended that the buyer keep the dog on Life's Abundance Dog Food for the first year of its life. This can be purchased from Debandles Kennels at the following website:

The puppy will be examined by a licensed veterinarian, wormed, given the first in a required series of parvo-distemper vaccinations. The Seller will provide an AKC limited (not for breeding) registration application to the buyer, and the puppy will be microchipped for identification.

The Buyer also agrees that within five (5) days of taking possession of the puppy he/she may have it examined by a licensed veterinarian. If that examination reveals the puppy has any significant medical problems (conditions that affect the life span or long-term health of the puppy, or that require major surgery or constant medication, not including accidents or communicable diseases that occur after the seller takes possession of the puppy), the buyer may return the puppy within three (3) days of the examination. Upon receipt of the puppy, the seller will reimburse the purchase price within 10 days. If the buyer chooses to pay for treatment without returning the puppy, the seller is released from any obligation to reimburse the buyer.

It is further agreed that if the Buyer decides to sell, trade, or otherwise dispose of this dog, the Buyer will first contact Debandles Kennels to give them the first right of refusal and the opportunity to buy the dog back for the purchase price and/or assist in the placement of the dog. I am a small breeder that raises only one or two litters each year. These puppies were raised in my home with much love and care and I hope you enjoy your puppy for many years to come!
